

Invitation for Submissions – Revised System Description

1. INTRODUCTION

As required under the Pilbara Networks Access Code 2021 (**PNAC**), Horizon Power is required to undertake the public consultation process before publishing any update, amendment or replacement to information previously published under section 36.

This document sets out details of the invitation to the public to submit their comments on the ‘Revised System Description’ to provide current information on the ‘Horizon Power coastal network’ (as defined in the PNAC).

2. MATTER FOR CONSULTATION - SYSTEM DESCRIPTION

The Revised System Description provides for up-to-date system maps, diagrams, network and other key technical constraints.

3. MAKING A SUBMISSION AND NEXT STEPS

Horizon Power has prepared and published the ‘Revised System Description’ to undertake the ‘standard consultation process’ (as set out in Appendix 1 of the PNAC).

After Horizon Power has undertaken the consultation process, Horizon Power will update (if required) and publish the updated documents by 25 November 2024 on the [Horizon Power website](#).

How to submit

Submissions must be sent via email to Pilbara@horizonpower.com.au by 5:00pm (Perth, Western Australia) Monday 11 November 2024 with the email subject line ‘Revised System Description’ in the below requested format and include company name, contact name and contact details.

Format of Submission

Horizon Power requests submissions be set out in the following table format:
